Fred left me voicemail this afternoon with a heads up that you should be expecting a phone call from Governor Rowland (CT) asking you to sign on to a letter supporting the education bill. Fred has seen a draft of the letter and he says that it is really bad – has the “No Child Left Behind” theme, very supportive of the President and doesn’t mention IDEA. Fred thinks that Governor Rowland will try to contact you directly rather than his staff contacting either Fred or me.

Fred and I recommend that you do not support this letter.

Thanks!
